BORDER AREA, FOCUSING ON SURGICAL TREATMENT AND PREVENTION
OF LIFE-THREATENING DISEASES”*

The Management Board of "Pro-Medica" in Ełk Sp. z o. o.
together with the Organizational Committee
we cordially invite you

to participate the
INTERNATIONAL CONFERENCE AND WORKSHOPS,

which will be held in the Folwark Łękuk
on 11-12 July 2024

During this event, we will discuss the most important topics with which every day Obstetricians and gynecologists are involved. Considering how important it is to take care of a woman, as well as pregnant women and fetuses, we have invited outstanding speakers who will present current state of knowledge in the field of diagnosis and treatment of cancer the birth organ. Workshops are also aimed at mutual exchange of knowledge and experience between the medical facilities of the project partners.
